

To make a Non-sew Tutu

Measure your waist size = (A) _____ inches

Tools:

Fabric Scissors or Rotary Cutter
Cutting Surface 24" x 36" recommended
Ruler
6" Rolls of Tulle (25yd/roll)
Non-Roll Elastic (or Ribbon)

Directions:

Waistband

No-Roll Waistband

Cut length to equal waist size (A) - 2 inches = (B) _____ inches

Overlap 1 inch and sew

Set aside

Ribbon

Ribbon (minimum)... waste size (A) _____ inches + 36 inches = (C) _____ inches

Pre-Cut your Tulle

How wide are the strips?

Tulle can be purchased in 6" by 25 yds rolls

How long is each strip?

Decide the length of your tutu (D) _____ inches x 2 inches + 1 inch = (E) _____ inch strips.

How many strips? # inches of your waist (A) _____ x 3 = (F) _____ # strips.

How much tulle to purchase? E x 3 x (A-2) = _____ inches or / 36 = _____ yds

So a 14 inch length tutu for at 30 inch waist =

$14 \times 2 + 1 = 29$ inch strips

$29 \times 3 \times (30 - 2) = 2436" / 36 = 68$ yds so you will need to buy 3- 25yd rolls

Assembly

Place waistband around the back of a folding chair, near the top

Fold a strip of tulle in half, create a loop and tuck the loop behind the elastic.

Take both ends and push through the loop. (loop knot)

Tug keeping ends even until snug. You should be able to place one finger between the waistband and tulle.

I'm a left to right kind of gal, so snug over to the left...

Repeat until all strips are used or the waistband is filled.

If you're going as a Mouse, use the tulle, fabric and wire to create your tail and/or ears.

What Color? Mix and Match tulle colors to wear with your Cindyrella Tee or to match your Jersey. See website for color of t-shirt (it changes every year; 2016 Robin Egg Blue, 2017 Raspberry, etc.)

Decorations: Ribbons, pearls, lace, etc.

Where to buy tulle? No, not tools at Menards! Oriental Express, Amazon, JoAnn Fabrics, Michel's or other fabric stores.
